PAN ZARETA SPEED MARVEL

NEWMAN MARE MAKES NEW AMERICAN RECORD FOR FIVE FURLONGS.

In Spite of Poor Start, Daughter of Abe Frank Runs Distance in 57⅕ Over Juarez Track in Winning Match Race with Speedy Joe Blair.

El Paso, Tex., February 10.—What a brilliant racer J. F. & H. S. Newman's great mare, Pan Zareta, really is was well demonstrated at the Juarez track this afternoon, when in a match race with the speedy four-year-old Joe Blair, in the stable of G. S. Martin, of Dallas, she made a new American record of 57⅕ for five furlongs. The former record was 58, made by Tern's Trick, with 97 pounds up, over the Oakland track in California December 29, 1910. Pan Zareta carried 120 pounds today and her feat was made the more notable from the fact that jockey Loftus, misjudging starter Cassidy's intentions, held her in check when the barrier went up, thereby allowing Joe Blair to obtain an advantage of several lengths right at the start. Jockey Acton, who was riding the Bonnie Joe sprinter, attempted to make the most of his advantage by letting his mount step right along and the result was sensational from the time standpoint. The first eighth was run in 10⅕, the quarter in 21⅗, three-eighths in 33⅗ and the half in 44⅕. Joe Blair was in the lead all this time, but as the final furlong was begun Pan Zareta moved up on even terms with the flying pacemaker, wrested the lead from him and went on to victory by herself, with jockey Loftus easing her up at the finish. It was declared by old-timers to be the most wonderful performance it had ever been their privilege to witness and owner-trainer H. S. Newman was overwhelmed with congratulations on all sides. Up to today both participants in the race had won all their starts of the season here and each had a following, although Pan Zareta was a strong favorite and the only winning one of the day. The race was a magnet that drew a greater crowd to the course than the big gathering which was present when the Newman mare was beaten in a match race with Iron Mask last season.

A five and a half furlong handicap for three-year-olds was the secondary feature. It was contested by a field of six and resulted in victory for Henderson & Knebelkamp's Tory Maid.

The fifth race was productive of a dead heat between Beulah S., from the Weir stable, and Bonanza, owned by M. Quinn. The purse was divided. Horses quoted at liberal odds accounted for the rest of the card.

Florin was claimed out of the fifth race for $725 by Riley & David, owners of Trojan Belle, which broke down during the running.

R. L. Rogers purchased Flitaway today.

The stewards are investigating the race won by Flying yesterday.

WILL PAY $5,000 IN LICENSE FEES.

New Orleans, La., February 10.—The state of Louisiana and the city of New Orleans have each received checks for $2,500 from the Business Men's Racing Association, covering the state and city taxes on the forty-day race meeting at the Fair Grounds track. At a meeting of the directors of the racing association Monday it was decided to pay the full amount of taxes demanded under legislative act No. 223 of 1902 and to abandon the appeal in a suit instituted against the association last week by the state tax collector. The secretary immediately forwarded checks to both the state and city tax collectors. The total payment of $5,000 represents a daily license fee of $125.

When the suit of the state tax collector came up for hearing last Friday in Judge King's division of the Civil District Court, the Business Men's Racing Association, through counsel, attacked the constitutionality of Act 223 of 1902 on the ground that the license fees provided thereunder were not levied equally and in a uniform manner. A check of $60 was tendered to the clerk of the court to cover the license provided under Act 171 of 1898. Judge King over-ruled the demurrer of the racing association and gave judgment in favor of the state for $2,500. The court denied a motion for a new trial, filed by the racing association, and the latter served notice of its intention to appeal the case to the state supreme court.

In announcing the decision of the Business Men's Racing Association to abandon the appeal and pay both the state ad city taxes levied under the act of 1912 Manager Murphy said:

"Our attorneys assured us that there was a good chance to test the constitutionality of the act, but the policy of the Business Men's Racing Association from the beginning has been to do nothing that would savor of attempting to nullify any act of the legislature, and we decided to pay the tax.

"There is no doubt that when the law was passed prohibiting bookmaking and the revenue consequent from it, the legislature would gladly have repealed the law creating this heavy tax, but the fact remains that it was not asked and the law is still on the statute books.

"With forty days of racing, we are paying a license of $125 a day, which is pretty steep, but we are not built on commercial lines, and there is really no sting to it.

"By conforming strictly to legislative acts, we feel that we will be in better position in the future to ask recognition from the assembly."

JOCKEY LILLEY PILOTS THREE WINNERS.

J. L. Paul's Apprentice Regains Lead Over Other Jockeys Riding at New Orleans Fair Grounds.

New Orleans, La., February 10.—Jockey Lilley figured extensively in the results at the Fair Grounds this afternoon, and by winning with three of his five mounts regained the lead for the riding honors of the meeting which he lost to jockey Goose on Monday. The lad showed skill and good judgment on handling his mounts. Especially was this true of Viley, winner of the third race. This race was attended by the second disqualification of the meeting, when O'Hagan was set back to last place after finishing second because of interference to which he subjected Miss Declare and Sebago during the stretch racing. In contrast to his last out, O'Hagan was a dominant factor all the way and in the last furlong displaced Miss Declare from the lead but in passing her bumped her sharply. He later carrommed into Sebago, which was offering a stubborn challenge. While the trio were involved in the bumping Lilley brought Viley up with a rush and won by a neck, O'Hagan beating Sebago by the same margin. O'Hagan was promptly disqualified, Sebago was given second place, Miss Declare was moved up to third. Lilley followed up his initial success with a victory on Ralph Lloyd and in the closing dash scored with Armor. On the latter he was extremely lucky, for he avoided interference at the start when Ravenal bolted diagonally across the track from an inner position and almost caused High Class and Holton to fall. The latter was a prohibitive favorite and High Class the second choice. Both were practically eliminated as a result of the mishap.

A remarkably large crowd of which a goodly number were the advance brigade of Mardi Gras visitors, was at the course and took an active interest in the sport and its attending incidents.

G. W. Innes' Busy Alice showed her true form in the opening dash when she scored a creditable victory over some good youngsters, including Lewis Opper, Gloamer and Sal Vanity. W. G. Yanke's Nobleman, under a rousing ride took the second race, with Fair Helen following. Dangerous March drew out in the last sixteenth to overhaul the leaders in the fourth race. Weyanoke was regarded with much favor in this race but Matthews steered him all over the track causing him to finish far back.

Busy Alice, Dangerous March and Ralph Lloyd were successful choices. The hardest jolts that the public got came with the failures of Miss Declare and Holton.

As a result of the rough riding in the third race jockey C. Turner suffered suspension for the remainder of the meeting.

Jockey Hunt was supended for the rest of the meeting by starter Dade for failure to get away from the post.

J. C. Milam departed tonight for Lexington, Ky., where he will begin the active training of the horses he has quartered at the Kentucky Association's course. Before leaving he traded Col. Fred to Mike Daly for Orowoc, a five-year-old mare by Hamburg—Yankee Girl, which he intends to use for breeding purposes. Mr. Milam was much impressed with the racing here and the banner patronage the meeting is receiving.

Advices were received during the afternoon that the racing bill in Arkansas was before the senate and the horsemen here are hopeful of its success.

Today's best work-outs were as follows:

Borel—Half mile in 50.
Boxer—Three-eighths in 39⅗.

GWYN TOMPKINS WINS AN APPEAL.

New York, February 10.—At a recent meeting of the executive committee of the National Steeplechase and Hunt Association, F. S. Von Stade was appointed to represent S. S. Howland in the association during his absence.

The committee also formulated a rule along the identical lines as that adopted by the stewards of the Jockey Club limiting all race meetings held without sanction—under a fair charter—to five days, whether they be conducted in or outside the state of New York.

The protest of G. R. Tompkins against the Maryland State Fair Association at Laurel was sustained. This protest grew out of the charging of starting fees on the jumper Weldship in a Laurel stake. It was proven that the horse had been regularly declared from the stake and that the charge of starting fees was in error. The association was required to return the starting fees.

Licenses to train were awarded M. Brady, Warren Freeman, J. Howard Lewis, Henry Johnson and James Owens, while Fred Crowley and Vincent Powers were granted licenses to ride. Walter Noe, who was suspended during the Laurel meeting, had his application for reinstatement denied.

This meeting was attended by Harry S. Page, H. W. Bull, A. Henry Higginson and Henry J. Morris.

GOSSIP FROM BLUE GRASS REGION.

Lexington, Ky., February 10.—French Brooks, trainer for Clay Brothers, today brought to the Kentucky Association course Lady Errant, Money Maker and Fidget to be prepared for spring racing.

S. K. Hughes took up Jesse Spencer's Korfhage and Texas Tommie and will handle them until George W. Innes comes here from New Orleans.

Jack Adkins is expected here in a few days to take up Buckhorn, Leo Skolny, San Vega, Helen Barbee, Sea Shell and Adelaide T., belonging to R. J. Mackenzie, and which are now running out at Beaumont Farm. Superintendent James P. Ross of the Kentucky Association track today ordered that a stable be made ready for these horses.

One of the finest yearlings in Kentucky is said to be a colt by Ballot—Subdue (dam of G. M. Miller). He is owned by Hart Brown, who refused $1,000 for him when he was three weeks old.

WILL RESUME RACING AT HAVANA TODAY.

Havana, Cuba, February 10.—The Cuba-American Jockey Club's much interrupted meeting will be resumed at Oriental Park tomorrow afternoon, when five races for thoroughbreds and one for mules will be run. The latter will be run between the regular third and fourth races. Much work has been done on the track while racing has been suspended this week and it is expected to be in fair shape.

Winner—Ch. m, by Pink Coat—Ruby Right (trained by K. Spence).

Went to post at 4:58. At post 3 minutes. Start good and slow for all but WELL KNOWN. Won easily; second and third driving. NANNIE McDEE trailed far back to the last turn, but found an opening at the head of the stretch and, coming down next to the rail with a rush, won going away. TRANSACT raced forwardly and made a game stretch effort. VOLADAY JR. closed a gap and finished resolutely. BILLOWS raced steadily throughout. PAY STREAK set a fast pace to the last eighth and quit abruptly. AL WORMWOOD also quit. The winner was entered for $500; no bid.

Overweights—Pay Streak, 2 pounds.

ANSWERS TO QUERIES.

W. T. G., Cincinnati, O. Do not possess it at present.

Wm. H., Cincinnati, O. Parlor Boy opened at 7 to 5 and closed at 2 to 1 in his race of February 5.

M. J. A., Louisville, Ky., Free Lance, ridden by C. Peak and owned by G. J. Long, won the Latonia Derby of 1912.

D. D. B., Buffalo, N. Y. Apparently the transaction was in time with a margin of about two minutes to spare.

T. E. C., Curtis, La. In all, Azelina won thirty-four races and $14,200, Echo Dale thirty races and $10,984, and Taunt sixteen races and $8,410. The winnings included place money.

Jim M., Braddock, Pa. Backing a jockey's mounts usually means that to achieve success the horse ridden by that jockey must win. If it is one of a coupled entry, local practice is a factor. In some localities a wager on a horse that is included in an entry will not be accepted separately, being taken on the entry with the preferred horse "to go." If that is the custom in your neighborhood your argument is correct.

NOTES OF THE TURF.

The stewards of the Jockey Club will meet today, when action will be taken on a number of applications for trainers' and jockeys' licenses. It is probable there will also be an informal discussion of the probable distribution of racing dates in the east for the coming season, although it is not expected that the dates will be announced.

An instance of how much more a horse will do for a lad it knows than for anyone else was noted at Canterbury Park on Saturday. Rardini was among the competitors for the Park Stakes, but on taking her into the straight to do her preliminary her rider, Duncan, could not get her to budge one way or the other. Ineffectual efforts were made to lead her to the starting post, and the only effect the whip had on her was to make her rear. Then Duncan dismounted, and the lad who looks after Rardini in stables, got on, whereupon that mare, without the least fuss, immediately cantered round to the post. On Duncan remounting her when she got there, Rardini again played up, and was eventually so badly left that she cannot be said to have taken part in the race. It is said that the stable lad for whom she behaved so well, can ride her without saddle or bridle.—Sydney Referee.

GENERAL NEWS NOTES OF THE DAY.

The American steamer Whilhelmina, which has a cargo of food supplies aboard for Germany, has put into Falmouth, Eng. The captain of the Whilhelmina said he did so of his own free will and had no prize crew aboard. The policy of the British government concerning the Whilhelmina, it was stated at the foreign office, has undergone no change. The cargo of foodstuffs destined for Hamburg will be thrown into a prize court and the ship will be released as soon as possible. It is generally understood that the shipment of foodstuffs by the Whilhelmina is to furnish a test case to determine whether the British government can stop American vessels from entering German ports bearing food products which are to be used by the civilian population of Germany.

The lower house of the Montana legislature has passed the house bill providing for statewide prohibition by legislative enactment after killing the senate measure provding for prohibition by an amendment to the state constitution. Should the senate refuse to accept the house bill and insist upon the adoption of its measure the assembly would be deadlocked on the question of whether the state shall go dry or stay wet.

Francisco Villa declines to heed the appeal of the Mexican peace conference held at San Antonio Saturday. In a reply received by Federico Gamboa, chairman of the committee named by the conference to transmit to the leaders of the warring Mexican factions its resolution asking them to lay down their arms and proclaim peace, Villa bitterly arraigns the men who called the conference and rejects the plan proposed.

Passengers on the Cunard line British steamer Ordune, which arrived at New York from England, said that the steamer flew the American flag for nearly twenty-four hours on January 31, while passing through the Irish sea. The stars and stripes, they said, were hoisted on Sunday about an hour after the Ordune left Liverpool and not hauled down until early Monday morning.

Famine faces war swept Serbia unless the people can obtain grain for seed and farm tools to work with in the spring, according to a statement issued by the committee which has been formed to seek aid in this country for the destitute women and children of Serbia, whose homes have been devastated by the Austrian invasions.

Reports from Nuevo Laredo, Mexico, say a large force of Villa troops is moving in the direction of that town from the south. A call for re-enforcements was sent out of Nuevo Laredo and Carranza soldiers are reported on the way to Nuevo Laredo from Matamoras. The Villa troops are said to outnumber nearly two to one the Carranza soldiers in that vicinity.

Formal notice in writing that he would seek a cloture amendment to the senate rules to end debate on the administration ship purchase bill at 2 p. m. February 19, and cause a final vote to be taken three hours later, was given by Senator Reed after the United States senate had been in continuous session for more than thirty-six hours.

The Rota Tribunal has rejected Count Boni de Castellane's suit for the annulment of his marriage to Anna Gould, now the Duchess of Tallyrand, according to a special dispatch from Rome.

Spain will join with other neutral countries in disregarding Germany's notification of a war zone about Great Britain, an officially inspired article in El Liberal says.

Swedish ship owners intend to have the national colors painted on all vessels in the north sea traffic to avoid being sunk by German submarines by mistake.

EUROPEAN WAR DEVELOPMENTS.

Isolated conflicts at half a dozen points on the long battle line from the English channel to the Swiss frontier are being fought with the utmost desperation. This is especially so in the Woevre region, the Argonnes, La Bassee and at Furness. But, according to reports reaching Paris, the Germans have been unable to gain any material advantage, altho they greatly outnumber the French. Elsewhere on the front fighting is confined to artillery duels. The Germans have been bringing up large quantities of men and supplies to the triangle of the Oise and the Aisne, and it is expected that they will essay a general offensive in this section soon. In front of the long La Bassee line the Germans have been reenforced by reserve Bavarian regiments, and, in anticipation of an attempt to break through the British defense positions along the canal have been greatly strengthened. The Belgian artillery in the north is reported to have demolished part of a German trench and a supply depot north of Nieuport. The Belgian forces, withdrawn for a fortnight to permit their being refitted, are now back, holding all of the territory inside of their own frontier not occupied by the Germans and they are reported to be making slow but steady gains at a number of points. In general there is little change in the dispositions. The Alsace campaign is halted by the heavy snows, but both sides are in readiness to assume the offensive shortly. That the Russian effort to invade Hungary has been checked and that the Russian forces have begun evacuating the Austrian crown land of Bukowina under pressure of the heavily reinforced Austro-German armies is indicated in reports from the eastern theater of war. For several days the German and Austrian official statements have reported successive defeats for the Russian invaders in the eastern Carpathian mountains and in Bukowina. Other reports have brought word of the Austrian forces being strengthened by heavy detachments of German troops sent from Silesia or diverted from the battle front in Russian Poland. Dispatches from Petrograd, Berlin and Vienna agree that the Teuton allies again have assumed the offensive in the Galician campaign and have embarked in a determined effort to drive the Russians from Austrian territory. This determination has transferred the chief interest in the war at present to the east. The Germans are bombarding Soissons with inflammables in order to burn the town and drive out the French. The fighting in the Argonne apparently is severe, particularly in the region of Bagatelle. At this point is one of the most dense parts of the forest and the fighting is confused. There were scenes of excitement and demands for peace on the part of the socialists when Finance Minister Lentze introduced the budget in the Prussian diet. Toward the end Dr. Karl Liebknecht, the socialist leader, who was the only one to oppose the government's demands at the recent session of the reichstag, had several supporters and the budget was sent to a committee amid great excitement. The successes achieved by the Austro-German forces have caused the abandonment by the Russians of Czernowitz, capital of Bukowina, according to a statement issued at Berlin. Important successes for the Russian troops in Galicia, Hungary, East Prussia and Northern Poland are claimed in an official report from the Russian general staff.
